FRENCH COORDINATING STRUCTURE: THE NATIONAL COUNCIL OF GEOGRAPHIC INFORMATION (CNIG)

INSPIRE CONFERENCE IN AALBORG ON JUNE 19, 2014

Pascal LORY
http://cnig.fr/
http://inspire.ign.fr/

SCOPE

- ON THE SITUATION
- LEGAL FRAMEWORK
- ORGANIZATION
- **COMMUNICATIONS AND CONNECTIONS**
- PRELIMINARY RESULTS

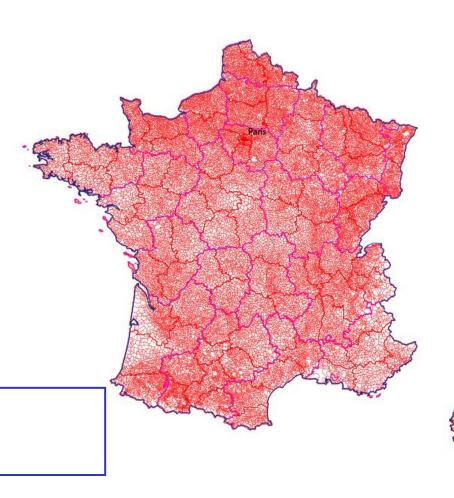

01. ON THE SITUATION

ON THE SITUATION: WHAT ARE WE TALKING ABOUT?

- Paris,
- 27 regions,
- 101 departments,
- Around 36.000 municipalities

→ Strong need for coordination

02. LEGAL FRAMEWORK

LEGAL FRAMEWORK

DECREE

- CNIG decree 2011 : organization of the National Council of Geographic Information (GI),
- CNIG: the French coordinating structure according to INSPIRE.

POSITION

Reports to the Minister of Sustainable Development

LEGAL FRAMEWORK

The CNIG'S OBJECTIVES

- Inform the government about the field of GI.
- Take the needs expressed into account.
- Provide advice on any matter relating to GI.
- Respond to inquiries from the ministers.

→ CNIG is not a decision-making structure, but an advisory body responsible for making recommendations

LEGAL FRAMEWORK

- GENERAL MEETING: 35 MEMBERS
 - The French State and other public institutes involved in the field of GI:
 15
 - Local authorities: 8
 - Private sector groups: 4
 - NGOs: 5
 - Trade unions: 2
 - The Chairperson
 - → A satisfactory balance between national and local levels

03. ORGANIZATION

ORGANIZATION

The CNIG CHAIRPERSON:

 Roland Courteau, a member of Parliament, senator.

Report on "The risk of tsunamis on

French coasts "

ORGANIZATION: 3 COMMITTEES CONNECTED WITH INSPIRE

Chairperson
Roland Courteau

Managing Director **Laurent Tapadinhas**

Support IGN-France

→ CNIG: 350 contributing members on the various commitees and in the working groups which make up this organization

Working group

• • •

Working group

Working group

• • •

Working group

•••

ORGANIZATION: « DATA » COMMITTEE

- Chairperson: a former member of parliament, Chairperson of Afigéo (an NGO).
- Listing the datasets and services under INSPIRE's umbrella.
- Attachment of scattered working groups:
 - Digitize urban planning documents,
 - Design a nomenclature for landuse...
 - → A CNIG label for national recognition.

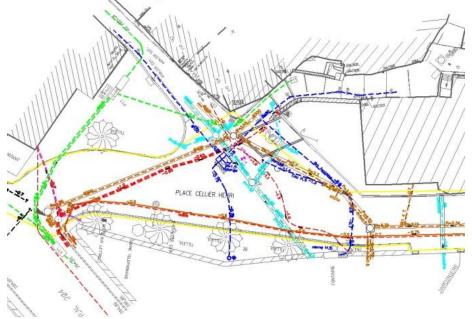

ORGANIZATION: « DATA » COMMITTEE

Design and implement the Very Large Scale Reference Database (RTGE):

- Nomenclature,
- Organization.

→ CNIG promotes collaboration between stakeholders.

ORGANIZATION: « TERRITORIAL DEVELOPMENT » COMMITTEE:

- Chairperson: a member of a regional council.
- The committee regroups SDIs to:
 - Coordinate the national and regional levels,
 - Develop circulation of information and exchange of experiences,
 - Promote the creation of new SDIs,
 - Help with seeking funds.

→ To unite and to get organized, once again the CNIG is the solution.

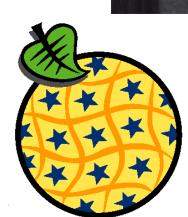

ORGANIZATION: « IMPLEMENTATION RULES » COMMITTEE

- Chairperson: from the Ministry of Sustainable Development,
- French remarks on the projects of European regulations,
- Formulate recommendations from rules,
- Publish French guidelines,
- 2 working groups attached: metadata and services.

→ The CNIG: an essential link in INSPIRE's communications.

INFOS CNIG DU 03 02 2014

GROUPE DE TRAVAIL EUROPE ET INTERNATIONAL

Afigéo à INTERGEO BERLIN 2014, simulateur 3D ville durable...

MORE THAN 700 SUBSCRIBERS

agine2, ie. Une

session sera consacrée à « l'impact de l'information géographique sur la création d'emploi et la croissance ».

Afin de mettre en valeur l'offre à l'international d'un démonstrateur « ville durable », Nicole BRICQ, ministre du Commerce extérieur, a lancé le 26 juillet, un appel à projets pour la réalisation d'un simulateur en 3D. Une conférence presse sera donnée à Bercy le 5 février 2014 pour l'annonce de la décision ministérielle au vu des résultats de l'appel.

05. PRELIMINARY RESULTS

05. PRELIMINARY RESULTS

- The CNIG's INSPIRE implementation has led to several preliminary conclusions:
 - The CNIG provides an essential umbrella group,
 - Its structure promotes collaboration among members,
 - It is a neutral, representative structure of the powers and the responsibilities, open and fully transparent,
 - It is an essential link in INSPIRE's communications.
 - → CNIG has initiated a new virtuous circle with INSPIRE deployment.
